

Their very names suggest their heritage: Cherokee, Chippewa, White Mountain, Black Hills, Roosevelt, Daniel Boone, Sierra and Sequoia. They're our National Forests. Thanks to generations past, now they're ours to enjoy. To renew body and spirit, to inspire a passion for the land, to let us reconnect with

nature, and with each other. But within our forests, there has been devastation by insects, disease, and fire. Now it's our turn.

The Arbor Day Foundation asks for your help in replanting our National Forests, because their majesty is our inheritance. Their conservation will be our legacy.
