Groundwork USA

# HOW WE WORK

Groundwork Ohio River Valley

# Tree Ambassadors

- Training and paying community members to care for trees in their own neighborhood
- Low lift, high reward
- Lessons learned so far

Groundwork  
Denver

# Neighbor-to-neighbor

- Newly hired part-time Regional Leader
- Individual outreach to all tree recipients
- Trees as an open door to continued engagement

Groundwork San Diego

# Captains & coalition

- Utilizing grassroots Tree Captain model
- Leveraging strengths in a developing coalition

Groundwork Hudson  
Valley

# Community science

- Training and paying community members to inventory
- 1,300+ trees inventoried to date
